### \_\_\_\_\_ Public Library Brings *Global Road Warrior* to Reference Collection

(City, State – Month Day, Year) – The \_\_\_\_\_ Public Library is pleased to announce that it has recently added the *Global Road Warrior* database to its online reference offerings. This new library resource contains country guides for each of 175 countries worldwide.

“Country information is a very popular at the library, but in the past, we’ve never been able to offer one resource that covers so many topics for so many countries, so we’re very excited to offer this database to our patrons,” says \_\_\_\_\_, reference librarian at \_\_\_\_\_ Public Library.

Each of the 175 country guides covers 119 topics including culture, banking, business, demographics, education, food, history, holidays and festivals, travel, language, money, points of interest, religion, security, and national symbols.

According to the library, anyone can access *Global Road Warrior* using the library’s computers, or from anywhere in the world from the library’s portal at [www.\\_\\_\\_\\_\\_.org](http://www._____.org) with their library card.

The *Global Road Warrior* database was designed for students doing country reports, educators, travelers, and anyone who wants to learn about the world and its diverse cultures.

Offering the *Global Road Warrior*, a product of *World Trade Press, the Global Knowledge Company*, is an example of the \_\_\_\_\_ Public Library’s mission to increase its coverage of topics that are of interest to its diverse population of patrons young and old.
